# Why come?

**We have a fantastic opportunity** to learn from Randy Clark's second-year students at his Global School of Supernatural Ministry (GSSM). Global Awakening was founded in 1994 by Randy Clark as an outgrowth of his involvement in the Toronto Airport Fellowship revival -- the greatest revival movement of the last half of the 20th Century. During the first year the "Toronto Blessing" spread to 55,000 churches around the world. Over 3,000,000 people visited the church during the first few years with thousands being rededicated and saved, and thousands more empowered and equipped to minister more effectively. Including our very own Ian and Rachel.

From the GSSM website:

*"There is a new wine skin being developed for the new outpouring that is coming. We will call what is coming "new"; but in reality it is going to be a restoration of His original design. God is all about restoration. The church that is being prepared to arise in power will reflect the values and culture of Heaven... The School is about walking in Kingdom anointing and power that frees hearts, heals bodies, restores homes and transforms culture. What we carry, what we train, and what we impart at GSSM is not natural. It is supernatural."*

On February 26-27 we are excited to welcome students from the Global School of Supernatural Ministry.

They will cover such topics as:

***Five step prayer model for the sick***

***How to receive and operate in Words of Knowledge***

***Deliverance training***

***Prophetic Protocol***
